

RAAJ MEDISAFE INDIA LIMITED
(CIN:L33112MP1985PLC003039)

We Are Solutions For Your Brand Packaging

Raaj Medisafe India Ltd, a proud member of the Packaging People Group and listed on the Bombay Stock Exchange, has been a trusted name in the packaging and hygiene industry since 2014. With over three decades of experience, we specialize in delivering cutting-edge packaging solutions tailored to diverse industries.

Our expertise includes:

- High-quality HDPE bottles and PP caps.
- Advanced child-resistant packaging for pharmaceuticals.
- Comprehensive hygiene products like baby diapers and sanitary pads.
- Eco-friendly food-grade poly bags and sheets.

At our state-of-the-art 5,84,000 sq. ft. facility in Pithampur, Madhya Pradesh, we combine technology, innovation, and sustainability to meet our customers' unique requirements. Every product we manufacture adheres to the highest quality standards, including ISO 9001:2015 and USFDA certifications, ensuring superior performance and satisfaction.
